# A Note from Pastor Adam

*For now we see only a reflection as in a mirror; then we shall see face to face. Now I know in part; then I shall know fully, even as I am fully known.*

1 Corinthians 13:12

As this newsletter goes out, we are deep within the season of Epiphany at Farmville Baptist Church. This season of the church year, the time after the celebratory joy of Christmas and before the reflective time of repentance at Lent, is a time of contemplation and revelation. Like the common definition of the word, the Christian season of Epiphany is a time when we are invited to make illuminating discoveries and realizations, perceiving the essential nature of reality in a new, more complete way.

The season begins with the celebration of the visit of the Magi, or wise men, to Bethlehem in early January. Like the Magi, we are invited to recognize the ways the life of Jesus Christ reorients our universe. Then, in the weeks following the commemoration of their visit, we wander together through the early days of Jesus' ministry, hearing his core values and his invitation to follow after him. Throughout the season, then, we are pondering together where those places are in our lives where we don't see clearly and where we need to let the epiphany of God's kingdom seen through Christ overwhelm us and pull us forward, together.

My prayer for our church this Epiphany season is that we will become more and more aware of how we now know only in part, but also that we will come to see more and more how God is revealing himself, his work, and his kingdom to us so we shall know it fully, even as we are fully known.

In Christ,

Pastor Adam

This app gives us a way to communicate with our congregation, stay in touch, share ideas, and highlight church ministries. If you have a smartphone or tablet, please follow the directions below to install the app and help us as we determine if this is a tool that will be helpful for our church over the next three months during our trial period.
